

PATH FOUR OVERVIEW

OVERVIEW

FLE cycles build precise thought, action and reflection in a cumulative way.

FLE cycles, are intentionally simple so they can be memorized, internalized and practiced on a daily basis.

The foundation cycle supports the other cycles by reinforcing the healthy patterns of thought that will be essential to progress.

PATH FOUR LEARNER

- Path Four Learners are CEO, C suite executives, Executive Vice President or P/L accountable executives.
- Take 35 x 50 minute modules of instruction and Leadership Quotient, Emotional Intelligence and Grit evaluations
- Take 35 timed quizzes
- Upload 10 .mp4 videos of pair instruction from each cycle

FRICTION LESS ENTERPRISE PATHS

PATH FOUR

AWARENESS CYCLE

FLE-C, Executives start their Friction Less Enterprise (FLE) Leadership Quotient Emotional Intelligence and Grit [LEEG] evaluation here.

ORIENTATION CYCLE

Masterfully examine the position of your whole team, organization, industry and market while you consider your own Emotional Intelligence and Grit.

CADENCE CYCLE

Synchronize your sequential roadmaps with your known activity and then use FLE techniques to uncover opportune market circumstances that allow bold ideas to flourish in the marketplace. Retake LEEG evaluation and update learning and planning in Awareness Cycle.

Week 3

Week 9

PURPOSE CYCLE

FLE step 2 begins with the Purpose Cycle. Leadership Quotient exercises alongside FLE-C learners' day job keep activity grounded in reality.

GOAL CYCLE

Aim your team and aim your organization to your desired direction by exemplifying the Leadership, Emotional Intelligence, Grit, ethic, work product, behavior, speech and actions of your goals.

FRICITION LESS ENTERPRISE PATHS

PATH ONE

PATH TWO

PATH THREE

PATH FOUR

FLE - T, TRANSFORMER

All FLE learners start with PATH ONE. For delivery level employees and individual contributors this path is sufficient.

***2 Weeks
Duration**

***2 Weeks
Duration**

FLE - P, PEOPLE LEADER

Supervisors, Team Managers and Technical Leads take PATH TWO to gain the mentality and tools they need to enhance their leadership skills.

***3 Weeks
Duration**

FLE-E, ENGINEER

Chief Information Officer, Vice President of Engineering, and Director of Technology and their technical peers will find PATH THREE intensely enabling to lead innovation for their enterprises.

FLE-C, EXECUTIVE COACH

CEO, President, Executive Vice President and their peers take PATH FOUR to expand their leadership potential to sustained world-class impact.

***3 Weeks
Duration**

THANK YOU.
